

Disclaimer & Privacy Statement

DISCLAIMER:

The information within this website is for educational and informational purposes only. The products described are not intended to diagnose, treat, cure, or prevent disease. Everything Zen makes no medical claims and makes no statements of validation. You should consult with the appropriate health practitioner in case of any medical conditions.

PRIVACY:

By using our website, you are agreeing to be bound by the following policies in regards to collection and privacy of personal data. Our web server automatically recognizes only your computer's domain name as well as your physical location, not your e-mail address nor any other personally identifiable information. This renders your visit virtually anonymous, unless you volunteer personal information (either a survey or request for information form), with your name, e-mail address, phone numbers or any other information. We also may collect anonymous aggregate information on what pages you and other consumers access or visit; user-specific information on what pages you or other consumers access or visit; and any information volunteered by you, the consumer, in connection with our business.

When you contact Everything Zen and supply contact information, you may receive periodic e-mails from us with information on new products, services, upcoming events, or other topics. When you receive communication from us in this form, you will be given the opportunity to opt out of receiving future communications from us.

We do not partner with or have special relationships with any ad server companies.

From time to time, we may use customer information for new, unanticipated uses not previously disclosed in our privacy notice. If our information practices change at some time in the future, we will post the policy changes to our website to notify you of these changes and we will use for these new purposes only data collected from the time of the policy change forward. If you are concerned about how your information is used, you should check back at our website periodically.

Customers may prevent their information from being used for purposes other than those for which it was originally collected by calling us at the below telephone number or by sending your request to use via e-mail.

If there are factual inaccuracies in any information that we maintain about you that you wish to correct, such as e-mail address or phone numbers, please notify Everything Zen via the below phone number or via e-mail.

We use cookies to store visitors' preferences in order to make your interaction with our site more personal. "Cookies" are short strings of information that are collected upon your visit to our site in order to enhance your web browsing experience. Web browsers can be modified in order to prevent cookie collection; however, this may impact your browsing activities. If you wish to prevent the collection of cookies, the "Help" portion of your browser will give instructions on how to disable this feature.

This policy is effective as of May 18, 2010.
